### 6.2. Industry placements

Industry placements are a component of this course. Students undertake industry placements for 160 hours (total) in Year 3 across Semester 5 and 6.

Industry placements are subject to Host Placement Guidelines and a Student Placement Agreement.

### 6.3. Course duration

The Bachelor of Fine Arts (Scenic construction and Technologies) is of a minimum of 3 years' duration and is available only as a fulltime course delivered face to face, barring exceptional circumstances, such as pandemics.

### 6.4. Attendance

Students must attend every timetabled session for every subject, except in cases of certified medical conditions or when leave of absence has been formally approved in writing by the Scenic Construction and Technologies Course Leader.

#### 6.5. Rules of progression

A student must pass every subject prescribed in the course structure in order to complete the requirements of this course. Should a student receive a Fail result for any subject, the Academic Board (or its representative), on the recommendation of the Examination Committee, will determine if the student is able to repeat the subject. In order to repeat a subject, a student must enrol and pay the prescribed fee for the subject.

Should a student fail one or more of the following common subjects, they may be allowed to repeat that subject/s when it is next offered (normally in the following year). In such an instance, a student may enrol in all subjects required for the semester other than those for which the previously failed subject is a pre-requisite.

COM7101A Performance and Ideas  
COM7101B Performance and Ideas  
COM7201A Performance and Ideas  
COM7201B Performance and Ideas  
COM7102A Introduction to Collaboration  
COM7102B Introduction to Collaboration  
COM7203A Student-led Projects  
COM7203B Student-led Projects

Should a student fail one or more of the following discipline-specific subjects, they may be allowed to repeat that subject/s when it is next offered (normally in the following year). However, students must have passed all the required discipline-specific subjects as prescribed in any semester in order to be permitted to progress to the set of discipline-specific subjects in the subsequent semester.

STG7303B SC&T Professional Practice

Should a student fail any subject twice, they will be required to show cause why their enrolment in the course should not be terminated.

## 6.6. Extension of time

The maximum period of candidature is 6 years. Deferrals and extensions beyond the minimum period for completion (3 years) are at the discretion of the Director of Learning and Innovation on the recommendation of the Scenic Construction and Technologies Course Leader.

Where an international student requires a course extension, the matter will be dealt with in accordance with the Credit Transfer and Recognition of Prior Learning (RPL) Policy, the Deferral, Suspension and Cancellation Policy and Academic Progression and Intervention Policy.

## 6.7. Leave of absence/deferral

Application for leave of absence by continuing students must be made in writing with reasons to the Scenic Construction and Technologies Course Leader for consideration and recommendation to the Director of Learning and Innovation. Approval for a leave of absence/deferral will only be granted under exceptional circumstances.

For international students where a deferral has impacted the duration of their course, the process will be managed in accordance with the 'Deferral, Suspension and Cancellation of Study - International Students Policy and Procedure', and students will have a course variation reported via [PRISMS](#). Students should seek advice from the Department of Home Affairs as to the impact on their visa.

## 6.8. Withdrawal - Domestic Students

A student may withdraw from the course at any time by completing the Notification of Withdrawal form.

If a student withdraws prior to the census date (the date for withdrawing without incurring a fee liability), no result will be registered on the academic transcript, and the student will receive a full refund of tuition fees and/or will not incur a FEE-HELP debt.

If a student withdraws after the census date, there will be no refund of fees, and/or a FEE-HELP debt will be incurred. The student will have "Withdrawn" registered on their academic transcript providing the withdrawal takes place no later than one calendar month after the census date in the relevant semester. If a student withdraws after that date, a result of "Fail" will be recorded on the transcript for the relevant subject/s.

## 6.9. Withdrawal - International Students

A student may withdraw from the course by completing the Notification of Withdrawal form.

Withdrawal to transfer to another provider must be done via accessing the Course Transfer Policy and Procedures. NIDA will notify Department of Home Affairs via PRISMS of any changes to course enrolment for an international student.

## 7. Variations

In exceptional circumstances the Academic Board or its representative may approve a personal program which does not conform to these regulations.
